

VELOCITY TX

2023 Incubator Sponsorship Opportunities

VELOCITYTX INCUBATOR: This two-five-year program is designed to help early-stage bioscience companies scale by providing long-term support and the necessary resources they need to evolve and grow into a mature business. Clients receive mentoring, help with funding, guidance on business plan development, prototype development support, and exposure to the bioscience and healthcare ecosystem within the incubator. The primary goal of the incubator program is to drive economic growth by producing successful, financially viable, and sustainable companies.

- 8 companies currently within the program
- 4 educational offerings through BioLaunch Courses per year
- 1:1 monthly support with Entrepreneurs in Residence for business plan development
- 1:1 support from industry and need-specific mentors
- Quarterly connection and networking opportunities with the community
- Individual pitch coaching
- 17,000 square feet of office and coworking space available
- Project support from local student interns
- Opportunity to participate in CEO Roundtable
- 3,600+ contacts in the VelocityTX database
- 3,700+ followers in 4 different social media platforms
